Thanks Diane! For the 2<sup>nd</sup> memo on compliance averaging, was that reviewed / discussed also with Pat and John Prince? That would be helpful to relay as I help move it up the chain.

Cheers,  
Sun

Good morning

I am attaching the 2 memos concerning the Woodbrook Road Dump site. The first, you have seen before, is the risk assessment memo, there have been no changes. Second is the compliance averaging memo. Both have gone through region 2 staff and management review and the region is prepared to discuss with your team at your earliest convenience.

Thanks
